Experience the magic...

CME | Founder

Hello,

I'm excited to share our journey of creating experiences that truly connects people with brands. For over twenty years, our dedicated team has crafted more than 4,000 immersive activations for some of the world's most respected names—from Bentley and Netflix to Giorgio Armani, Vogue, and many others.

I am humbled to have been recognized as the “Event King” by LA Confidential Magazine and to have had the opportunity to support impactful events, including fundraising efforts for President Barack Obama and other major activations around the world.

At the heart of what we do is a genuine passion for storytelling, creativity, and the belief that every shared experience can spark lasting connections. Whether it's launching a luxury brand, curating a personalized private event, or designing a large-scale cultural activation, we're committed to turning bold visions into unforgettable moments.

I'd love to explore how we can create magic together and bring your next extraordinary event to life. Please feel free to reach out—I'm looking forward to the possibility of working together.

Warm regards,

Cory Martin
